

Family Involvement – Enrichment Activity

Details

Our activity will be held on Thursday, February 25th, from 9:30am to 11:30am.

We will be making Friendship cookies. Room Parents, you will need to communicate with all other parents in your room as to who brings what, how many and at what times they will be needed.

The items needed are as follows:

Any kind of cookie dough, store bought or home made. (NO NUTS)

Baking sheets

Non-stick cooking spray

Cookie cutters

Decorations

Sandwich baggies

You may use your imagination and bring in whatever you think will make this activity fun and entertaining for the children as well as yourselves. You will need at least two parents in the room at a time, preferably three. The teachers will be available to assist, if needed. Once you get a commitment from a parent, please express how important it is for them to stay committed to what they have promised. Remember, we only have one oven in the kitchen so you will need to coordinate your baking times with the parents in the other rooms. Also, the infants will not be able to go to the kitchen and bake; however, they can still enjoy the time by playing with the dough and making shapes, etc.

Should you need any further information, please contact:
